

## President's Message...

**Hello All,**

Well, it has been a mild winter so far only 48 days or so until spring (*hoping Punxsutawney Phil says six more weeks of winter or not!!*) I hope everyone is taking advantage of the nice weather to get outside and enjoy. All the ski areas are in full operation and are offering discounts on certain days and times so if you ski, snowboard or just like tubing, please take advantage of the offerings. Check out the resorts' web sites for their up-to-date information. Other fun outdoor activities are cross country skiing and snowshoeing. Just get out and get some exercise it is good for the mind and body.

As the COVID pandemic still grips the nation, we see some light at the end of the tunnel. More vaccines are becoming available, please keep checking for where and when you can sign up.

That is about all for now. As the spring and summer months roll around, hopefully we will be able to get together as a group again and a "Good Time will be had by all."

Stay safe.

Wear a mask.

Take care of each other.

**Bob**

## Editor's Note:

On behalf of the officers, we want to say we are thinking of you during these unsettling times with COVID-19. Please reach out to your friends by emails or phones to stay in touch and check to see how they are doing and to just say hello. If you had the virus, we wish you a speedy recovery and hope you are on your way to feeling better. We want to thank our members who have been our frontline/essential workers during the last eleven months. We appreciate everything you do!

Even though we cannot get together like we want to, we hope everyone is hanging in there, staying safe, and wearing your mask. We will see you soon!

Stay safe,  
Johnstown Ski Club Officers.
