

President's Message...

Hello All,

Here we are in February already. Spring is just around the corner. That is if that rodent doesn't see his shadow.

All the area ski slopes have finally gotten enough snow from mother nature to open full blast. Get out and enjoy the winter snow tubing, cross country skiing, snowshoeing and downhill skiing or just take a hike in the woods. Keep your body happy!

The last mixer at TNC's had a great turn out of 28 members. Chuck and staff were great with excellent service and good food. Thanks to all who attended. "A Good Time was had by all"

Our **next mixer (Feb 17)** will be returning to Tulune's Living the Dream Bar & Grill located on Bedford Street. Check out the information in this newsletter.

Planning is already in progress for the upcoming **Après' (Spring) Ski Party**. The date will be **Saturday, May 7th at Alleghenies Unlimited Care Providers Community Room**. "No, we are not getting that old." We checked out the facility and found it to be perfect for a ski club gathering. The facility is located at 119 JARI Drive, right at the entrance to the Richland industrial park. I know a lot of you have been by the building. Check it out.

All for now, please continue to read your newsletters and follow us on Facebook and the ski club web site.

See you around.

Bob

And a Good Time was had by All.....

Mixer/Meeting at TNC's Lounge on Thursday, January 20:

We held our January Mixer at TNC's Lounge. Again another great turn-out with 28 members attending. It was a great chance to catch up on our holiday news. In fact, members in the back of the room felt like we were at a ski lodge with that nice gas fireplace. As usual, the food was very good along with that *great* service from our waitress who was able to handle all of us with her friendliness and great efficiency. **Shawn Sherer** was very lucky that night. Thanks to owners Terry and Chuck of TNC's for their great hospitality! We always have a great time there.
