President's Message...

Hello All,

This will be my final letter as President. I would like to reflect on the past years.

We as a club have continually grown in numbers even through the pandemic. Our membership has always been willing to participate in the many activities the club offers.

I have had the privilege to work with a great group of officers who are always willing to go above and beyond expectations. Thanks for all you do.

To the membership, I cannot say enough. Without your willing participation in The Johnstown Ski Club, we would not be in our 43rd year. The members make the club what it is. I thank all of you for your loyalty and support.

Finally, please continue to support the new officers as they begin another chapter in the club's history.

Thank you all for your support of The Johnstown Ski Club. Remember we have many activities planned for the spring and summer. Check them out. Hope you can join us!

Let the "Good Times Roll."

Bob
